Grants for Innovative Teaching Application Instructions

Step 1: Create a Log-In

We have made the process to create a log-in much simpler. On our website, jld.net, go to the menu and click on Community>Signature Projects>Grants for Innovative Teaching.

You will find the link to create an account. Once you have created your account, you will have access to your account.

If you have previously created an account and you remember your log-in, you can just log in. If you don't remember your previous log-in, feel free to create a new account this year.

Step 2: Read about *Grants for Innovative Teaching*!

Next read up on *Grants for Innovative Teaching*. We have a sample of the application and budget on website. We also have our FAQs. Click [here](#) to access that information.

Step 3: Fill Out the Application.

1. Start at jld.net click the Login button in the top right-hand corner in the black ribbon.
2. Log in using your username and password
3. You will land on your homepage. You will see a teal ribbon. Click on Agency Resources.
